

## IMPORTANT DATES

Last Date of Poster / Abstract  
Submission

**15 March, 2018**

## THEME

**Water Treatment & Management**

## POSTER PRESENTATION

**28-29 March, 2018**

## GUIDELINES TO AUTHORS

### **For Poster:**

- ◆ Size: A0 (33.1 X 46.8 Inch).
- ◆ Content: 20%, Graphical: 80% .

### **Awards:**

- ◆ Best 3 Poster (28 March, 2018).
- ◆ Boarding, lodging and registration fee will be sponsored for limited number of posters as per reviewers comments and recommendations for encouraging innovative ideas of researchers.
- ◆ **Registration Fee:** 1000 INR.

Established in 2003 through UPES Act, 2003 of the State Legislature of Uttarakhand. UPES is an UGC recognized and NAAC accredited University. UPES offers specialized B.Tech, BBA, B.A, B.Des, LL.B courses at undergraduate level and M.Tech, MBA, M.A, LLM programs at post-graduate level. These courses cater to high-growth areas like cloud computing, mechanical engineering, civil engineering, aerospace engineering, mechatronics engineering, fine arts, big data analytics, public administration, machine design engineering, computer science, petroleum, graphics & gaming and many more.

UPES campus in Dehradun, which is amongst the most beautiful campuses in India, sprawls over 44 acres with world class academic infrastructure, multimedia enabled classrooms, modern research labs, playing fields, food courts, hostels and other facilities for all curricular and extra-curricular activities of students.

## **Indo-French Thematic School & Workshop**

**28<sup>th</sup> - 29<sup>th</sup> March 2018**

### **Venue**

**University of Petroleum & Energy Studies**  
Bidholi, Energy Acres, Dehradun  
Uttarakhand 248007

### **Contact Details**

**Research & Development Office**

Water related issues are diversified in nature and ranging from various fundamental research based challenges to management, policy and societal awareness, it is essential to employ an integrated approach with the complete synergy of technology, management, policy and commercialization therefore the workshop is aimed to propose and address the challenges in multi-disciplinary patterns.

This is customized program for academicians, researchers, students and interested individuals to share, exchange the views of water treatment and management and to have a network of researchers in this area to address the associated challenges.

Organizing team of UPES is looking forward to welcome you in the valley of Dehradun !
