Advertisement for Project Fellow / Project Associate-1 in CRS project of UGC-DAE-CSR

Applications are invited for the position (only one) of Project Fellow / Project Associate-1 in UGC-DAE-CSR, Indore funded research project under CRS scheme entitled “Luminescence and dielectric spectroscopic studies of phase stabilized $\text{Hf}_x\text{Zr}_{1-x}\text{O}_2$ nanocrystals: Deciphering role of local electronic structure using synchrotron radiations”. The project is initially for one year, however, extendable on yearly basis (total three years) subject to satisfactory performance.

Fellowship: (i) Project Associate-1 for NET/GATE/JEST: Rs. 31000/- pm + HRA
(ii) Project Fellow for Non-GATE/Non-NET: Rs. 14000/- pm + HRA

Qualification: M.Sc. in Physics/ Applied Physics (not earlier than five years) with at least 55% marks and valid NET/GATE/JEST certificate for Project Associate-1

How to Apply: The soft copy of application on a plain paper with complete biodata supported with relevant documents (mark-sheets/NET/GATE/JEST certificates etc.) in a single pdf file must reach undersigned on or before 20/05/2022. The subject of mail should be “Application for the post of Project fellow: Your name”. Biodata must include personal details, academic score/performance starting from high school and projects done if any.

Last Date: May 20, 2022

The nature of the post is purely temporary and co-terminus with the project. However, the selected fellow has to register himself/herself in Ph.D. as per University norms and shall be required to work at RRCAT and CSR Indore as and when required. The shortlisted candidates will be informed through e-mail/telephone to appear for an interview on a date specified later. No TA/DA will be admissible for appearing in interview.
